SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

During the 2008-2009 school year, Congaree-Wood Early Childhood Center focused our collective energy on the goals and objectives of the School Renewal Plan. This allowed us to focus on literacy through the Developmental Reading Assessment conducted in K5 and grade 1. Also, we focused on the DIAL-3 Assessment used in our pre-kindergarten program in order to develop our children academically, socially, physically, and emotionally.

This year we added 4 more teachers to our group of National Board Certified teachers. This brings our total to 11. Many of our faculty members are pursuing advanced degrees. We also participated in district-wide Differentiated Instruction Workshops; which allowed our teachers to use targeted strategies with small groups and individuals. We continued to work as a Professional Learning Community within our building as we met several times monthly to look at data, develop common assessments, share strategies and concerns, and celebrate successes.

We were able to establish two Read 120 EAGLETS Rooms for first graders to support their development as readers and writers. Each of our 13 first grade classes was scheduled for 30 minutes, 4 days a week in a Read 120 Room. During this time they received a whole group mini lesson followed by small group instruction in reading and writing on their appropriate level from 4 trained teachers. As we tracked data each 9 weeks we were able to see the tremendous growth our children made. This experience has a direct impact on their progress toward DRA. We plan to continue to offer this program next year.

As a school, we participated in several service-learning projects. We collected personal health items to donate to RAPHA Nursing Home. We participated in Jump Rope For Heart through our PE Program collecting \$2,703.72. Through our cafeteria we collected canned goods and donated them to the Harvest Hope Food Bank. We continued to collect aluminum can tabs to donate to the Ronald McDonald House Charities which reaches out to support families with critically ill children. We made an effort to become increasingly green in order to raise awareness of the need to recycle as good care-takers of our environment. Through these experiences, we support our children as citizens and promote character in keeping with our motto, "We are the Congaree-Wood Early Childhood Center EAGLETS-Watch Us Soar."
